RESISTANT**

SPECIFICATIONS

Fully upgraded ultra durable tactical vest with high levels of adjustability.

Made in full 500 denier Cordura laminate, which is 35-40% lighter than traditional MOLLE

This offers the best possible mobility to wear over a long period of time. Our laminate fabric is water-resistant, abrasion-resistant and has a high tear resistance for long term use.

The ballistics are made with high quality materials from Honeywell and weigh 5.3kg/m².

UNISEX - works for both men and women.

Features built in front and back pockets for carrying ESAPI hard armor.

7-year ballistic warranty and 2-year warranty on the textile carrier.
