## SPECIFICATIONS

Our U-Line are premium NIJ IV ICW plates and are available as a multi-curved front/back plates.

The plates are monolithic Silicon Ceramic from Saint Gobain and aramid backing. This enables a good protection to weight ratio and edge-to-edge ceramics.

The plates are covered with a liquid-repellent Cordura cover, which protects the ballistic properties against water, oil and similar liquids.

The plates have a thickness of just 22mm.

7-year ballistic warranty.
