PGD SPECIAL PRODUCTION

PGD offers special production of soft armor, textiles, and hard armor to meet specific operational needs. From custom-shaped inserts to modified textiles and branded hard armor, our team ensures a precise fit and professional finish.

This catalogue provides an overview of options, requirements, and delivery times for special production with PGD.

Soft armor

Textiles

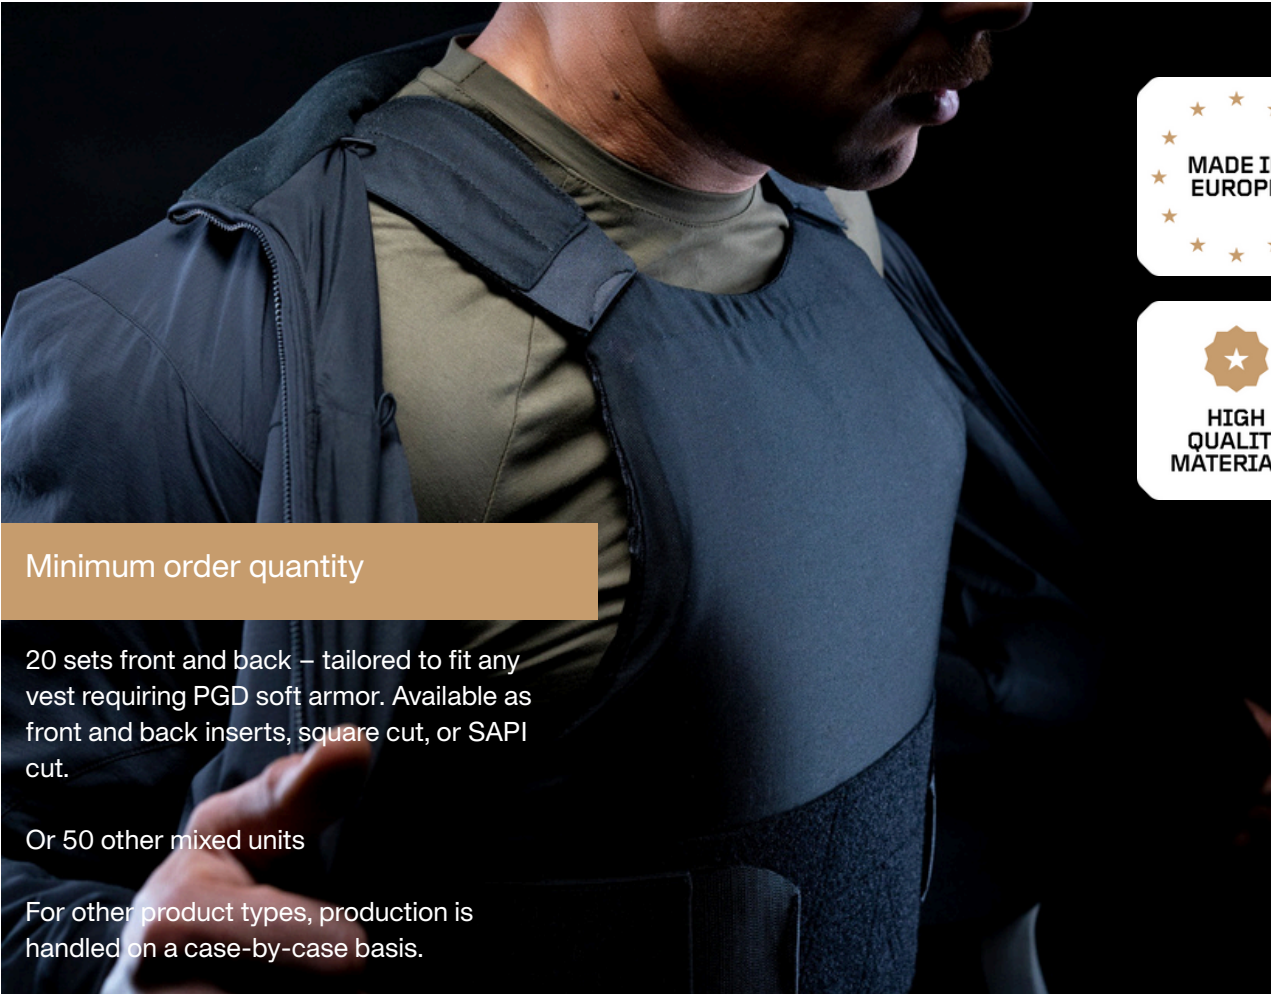

Hard armor

PGD SOFT ARMOR

PGD delivers custom soft armor designed to fit your exact needs. Whether for vests, carriers, belts, or other add-on pieces like groin, biceps and collars, we provide tailored protection with the same trusted quality and performance found in all PGD products.

Minimum order quantity

20 sets front and back – tailored to fit any vest requiring PGD soft armor. Available as front and back inserts, square cut, or SAPI cut.

Or 50 other mixed units

For other product types, production is handled on a case-by-case basis.

Requirements
CAD drawings of the placement area for PGD soft armor (e.g. plate carrier front/back, lumbar belt, collar, front torso, etc.), along with instructions specifying the required reduction in size to ensure proper fit.
Production will begin only after the approved draft, which also forms the basis for invoicing.

Delivery time from approved order	
Up to 100 sets	4-6 weeks
More than 100 sets	Special quotation
Price depends on product and quantity for production in PGD standard soft armor	

PGD offers customized textile solutions based on our proven product range. Every modification is carried out with the same durability and functionality as our standard products, ensuring mission-ready performance with a personalized finish.

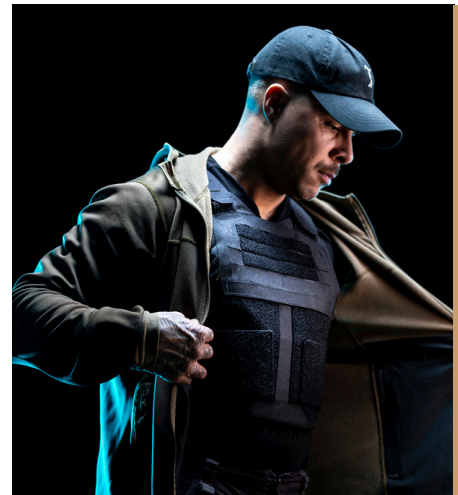

Available modifications

- Logos, text, or other identifiers sewn onto the product
- Adjustment of Velcro or MOLLE/PALS placement
- Addition or removal of Velcro or MOLLE/PALS
- Alternative colors for the full product or specific parts

Price depends on product and quantity for production in PGD standard soft armor.

Other product developments of textile in conjunction with soft armor on case-by-case evaluation.

Minimum order quantity

50 items

Requirements

- Logos, text, or graphics must be provided in a suitable graphic file format e.g. ai, eps, tiff, psd etc. (files can be converted for an additional fee).
- Colors must be specified using Pantone color codes.
- Requested modifications must be clearly marked on a product image.
- Production will commence only after the approved draft, which also serves as the basis for invoicing.

Delivery time from approved order

10-15 weeks

PGD HARD ARMOR

PGD hard armor plates can be customized to meet specific requirements, including Cordura cover with your own logo or production in waterproof Polyurea coating.

Other specifications on case-by-case evaluation.

Minimum order quantity

100 items

Specification

PGD standard hard armor plates are available with a Cordura cover featuring your own logo sticker, or as PGD standard products produced in waterproof Polyurea coating.

Waterproof

PGD LW-line products (LW-SA-III and S-LW-ICW-III) are available in waterproof Polyurea coating as part of our special production offering.

Delivery time from approved order

20-25 weeks
